### Historical language advisory

Certain parts of the Library and Archives Canada (LAC) collection contain historical language and content that some may consider offensive, for example, language used to refer to racial, ethnic and cultural groups. Items in the collection, their content and their descriptions reflect the time period when they were created and the view of their creator. The items retain their original descriptions to ensure that attitudes and viewpoints are not erased from the historical record. LAC provides additional descriptive information to give background on the records. This is an ongoing process. For more information, please visit LAC's [Historical language advisory](#) page.

### Mise en garde – terminologie historique

Certaines parties de la collection de Bibliothèque et Archives Canada (BAC) renferment de la terminologie et des contenus à caractère historique que certains pourraient considérer comme offensants, notamment au chapitre du langage utilisé pour désigner des groupes raciaux, ethniques et culturels. Les éléments qui composent la collection, leurs contenus et leurs descriptions sont le reflet des époques au cours desquelles ils ont été créés et des points de vue de leurs créateurs. Les descriptions d'origine sont conservées afin que ces attitudes et perspectives ne soient pas supprimées des sources historiques. BAC fournit toutefois des renseignements descriptifs supplémentaires dans le but de donner davantage de contexte aux documents, le tout dans le cadre d'un processus évolutif. Pour en savoir plus, visitez la page [Mise en garde – terminologie historique](#) de BAC.
